Our Mission

"To educate a broad and diverse public to the values and significance of the medical practice and agricultural way of life of the country doctor, and to preserve and protect the Remick property and collections for the benefit of the public."

Since its founding in 1996, Remick Museum & Farm has been welcoming neighbors and visitors to Tamworth Village, blending the past with the present to educate current generations about sustainable agriculture, forgotten arts, foodways, the life of a country doctor and other rural New Hampshire pastimes and history.

As a non-profit organization, Remick relies not only on our yearly visitorship but on our Friends, Partners, Donors and Volunteers to thrive.

We would welcome the opportunity to tell you about the many ways Remick Museum & Farm's reach extends far beyond the boundaries of the beautiful property it encompasses, review the involvement possibilities mentioned in this brochure, or discuss options for bequests and memorial gifts. Feel free to contact us at any time with questions.

Alternatively, we invite you to visit our website to see for yourself the many ways Remick honors its mission, and to review our upcoming events. Also, you may sign up to "Join us!" via the Support Us page.

Your contribution, in any form, is greatly appreciated and ensures a sustainable, healthy future for Remick. Thank you!

58 Cleveland Hill Rd., Tamworth Village, NH 03886
