FORGOTTEN ARTS

● FIBER ARTS GROUP

Tuesday, January 7 & 21 • 10 a.m.–12 p.m.

Fiber artists, bring your project to work on and join our fiber arts group to share in the historic art of weaving, spinning, sewing, quilting and more! Led by Barbara Lord, Volunteer Educator, this group meets every other Tuesday, year round. FREE (does not include access to the Museum).

NATURE EXPLORATIONS

● REMICK RAMBLERS: ANIMAL TRACKS & SIGNS

Thursday, January 9 • 10 a.m.–12 p.m.

Ramble through the woods in search of animal signs and tracks. Who stays and who goes during the winter at Remick Farm? Using observations, discussion, and field guides, the group will identify the daring creatures that are out and about during the cold winter months. **GENERAL INFO:** Remick Ramblers is a nature-based activity designed for children. These walks are held once a month, September thru June, and are designed to engage conversation and encourage experiential learning through a variety of hands-on activities. We meet in rain/snow or shine and will be outside for the duration of the exploration. This is not a drop-off program; parents/guardians must stay with the group and are invited to participate. \$6/participant, ages 6 and above. Space is limited; early registration is encouraged. **Registration closes January 6/when filled; no walk-ins, please.**

YOUNG FARMERS

● HILLSDALE 4-H DAIRY CLUB

Thursday, January 9 • 6:30–8 p.m.

The Carroll County Hillsdale 4-H Dairy Club focuses on learning about various dairy breeds of cattle, goats and sheep, while participating in local and state 4-H activities. The club meets monthly, with additional activities and meetings held at the leader's discretion. The club is open to residents of Carroll County, ages 8–18 (as of January 1 of current year). Ownership of a project animal is not required. FREE. Contact Farm Manager Lindsey McAllister for information: lmcallister@remickmuseum.org.

INTRODUCE YOUR LITTLE ONE TO THE FARM

● NEW! YOUNG FARMERS: SNOW, SNOW & MORE SNOW!

Saturday, January 11 • 11 a.m.–12 p.m.

Start the new year with a child-friendly lesson on the water cycle. Participants will learn how water gets around and why it's important for the farm by making a cloud in a bottle, exploring water on the farm (most likely as snow or ice), making snowflake crafts and enjoying a story. **GENERAL INFO:** Young Farmers is held one Saturday per month, year-round. Each month, participants explore the farm by focusing on a new theme. Most lessons include time outside,

a craft, and a story. This is not a drop-off program; parents/guardians must stay with the group and are invited to participate. \$6/participant, ages 2–6. Space is limited; early registration is encouraged. **Registration closes January 6/when filled; no walk-ins, please.**

HISTORIC FOODWAYS

● HEARTHSTONE DINNER: AN OPEN-HEARTH COOKING EXPERIENCE

Saturday, January 18 • 4–8 p.m.

This engaging and delicious evening begins with Museum staff guiding guests "back in time" to learn about 19th- and early-20th-century kitchens and food preparation. Using historical recipes and tools, participants prepare foods using traditional ingredients and techniques to create an authentic, seasonal farmstead meal. Once the meal has been cooked on the open hearth, gather 'round the hearth table to savor the fruits of your combined labor. These evenings are BYOB-friendly (beer and wine, to be enjoyed during the meal portion of the evening). \$65/person, ages 18 and above. **Reservations required by Monday, January 13.**

PLANTS OF FIELD & FOREST

● BUILDING YOUR HERBAL MEDICINE CHEST

Saturday, January 25 • 1–4 p.m.

Do you want safe, natural remedies in your home with no need to read of frightening side effects? This class will detail the herbal remedies most effective, tailored to your common health distresses. There will be many herbals to taste and apply, plus you will receive a guide booklet and a remedy to start you off. \$35/member, \$45/non-member; ages 18 and above, ages 16–17 welcome with an adult. **Registration closes Tuesday, January 21/when filled.**

HOMESCHOOL CLASS

● SURVIVING THE WINTER

Monday, January 27 • 10 a.m.–12 p.m.

How do animals survive outside during the winter? Join us on the farm and our nature trails to discover the different characteristics and behaviors animals have that allow them to survive in the coldest of months. **GENERAL INFO:** Each month, a new lesson is offered using the farm and museum spaces as a classroom. Programs are rain/snow or shine and participants should be prepared to be outside for at least part of the lesson. A notebook or journal is highly encouraged. \$6/participant, ages 6 and above. Space is limited, early registration is encouraged. **Registration closes January 20/when filled; no walk-ins, please.**
